Moose Will Hold Picnic.

The local lodge of the Moose will hold a picnic at the Hall grove north of the river Sunday. It is expected that members of the Grand Island lodge will come to take part in the festivities of the day. A big program of sports has been arranged and the "feed" will include one hundred fried spring chickens.

The party will leave the hall at nine o'clock, and members who have cars are asked to assist in transporting those who attend.

Trainmaster at Northport Abolished.

The position of trainmaster at Northport, which has been held by Claude Delaney, has been abolished and Mr. Delaney will return to this city and resume the vocation of engineer. He held the position of trainmaster since service was opened on the North River branch, and accepted it because physically incapacitated for engine work. Since then he has grown stronger and hopes to be able to stand the work. During this time he has held his road rights.

Patterson Goes Back to Denver.

C. L. Patterson, who has been chief secret service agent of the Union Pacific since the death of W. L. Canada, a year ago, has been transferred back to the Colorado division with headquarters at Denver. This is the position Mr. Patterson held prior to going to Omaha.

J. C. Gale, who has been a special agent for several years, succeeds Mr. Patterson as chief.

Laborers Are Scarce.

W. D. Waldo, who is hauling dirt on the road leading to the new river bridge, was looking in vain Wednesday for laborers. "This is the first time in years that I have not been able to get all the men I needed, and more too," said Mr. Waldo. There has been a scarcity of men in the harvest fields.

BALL GAMES SCHEDULED SUNDAY AND MONDAY.

The Saratoga ball team, of Lincoln, one of the fastest amateur organizations in the state, will be here for games next Sunday and Monday. The Saratogas are a stronger team than the Lincoln Cleaners and Dyers who were here recently. It is therefore confidently expected that both games will be fast ones, and that Jake's men will need put forth their best efforts.

The management hopes that the public will take a little more interest in base ball than has been displayed for the past three weeks. At a majority of the recent games—and especially the week-day games—the attendance has been meagre, and the team can not be maintained if not given the necessary financial support.

North Platte has a strong team, it has been playing winning ball, having won more than four-fifths of all games played. Certainly such a record as this entitles the team to the hearty financial support of the public.

We make cigars in the small and in the regular sizes preferring to use quality tobacco in preference to quantity. We use only the best tobacco for filler and wrapper and our customers are always satisfied. We handle a large line of smokers' articles, our display of pipes being especially large.
